OBJECTIVES

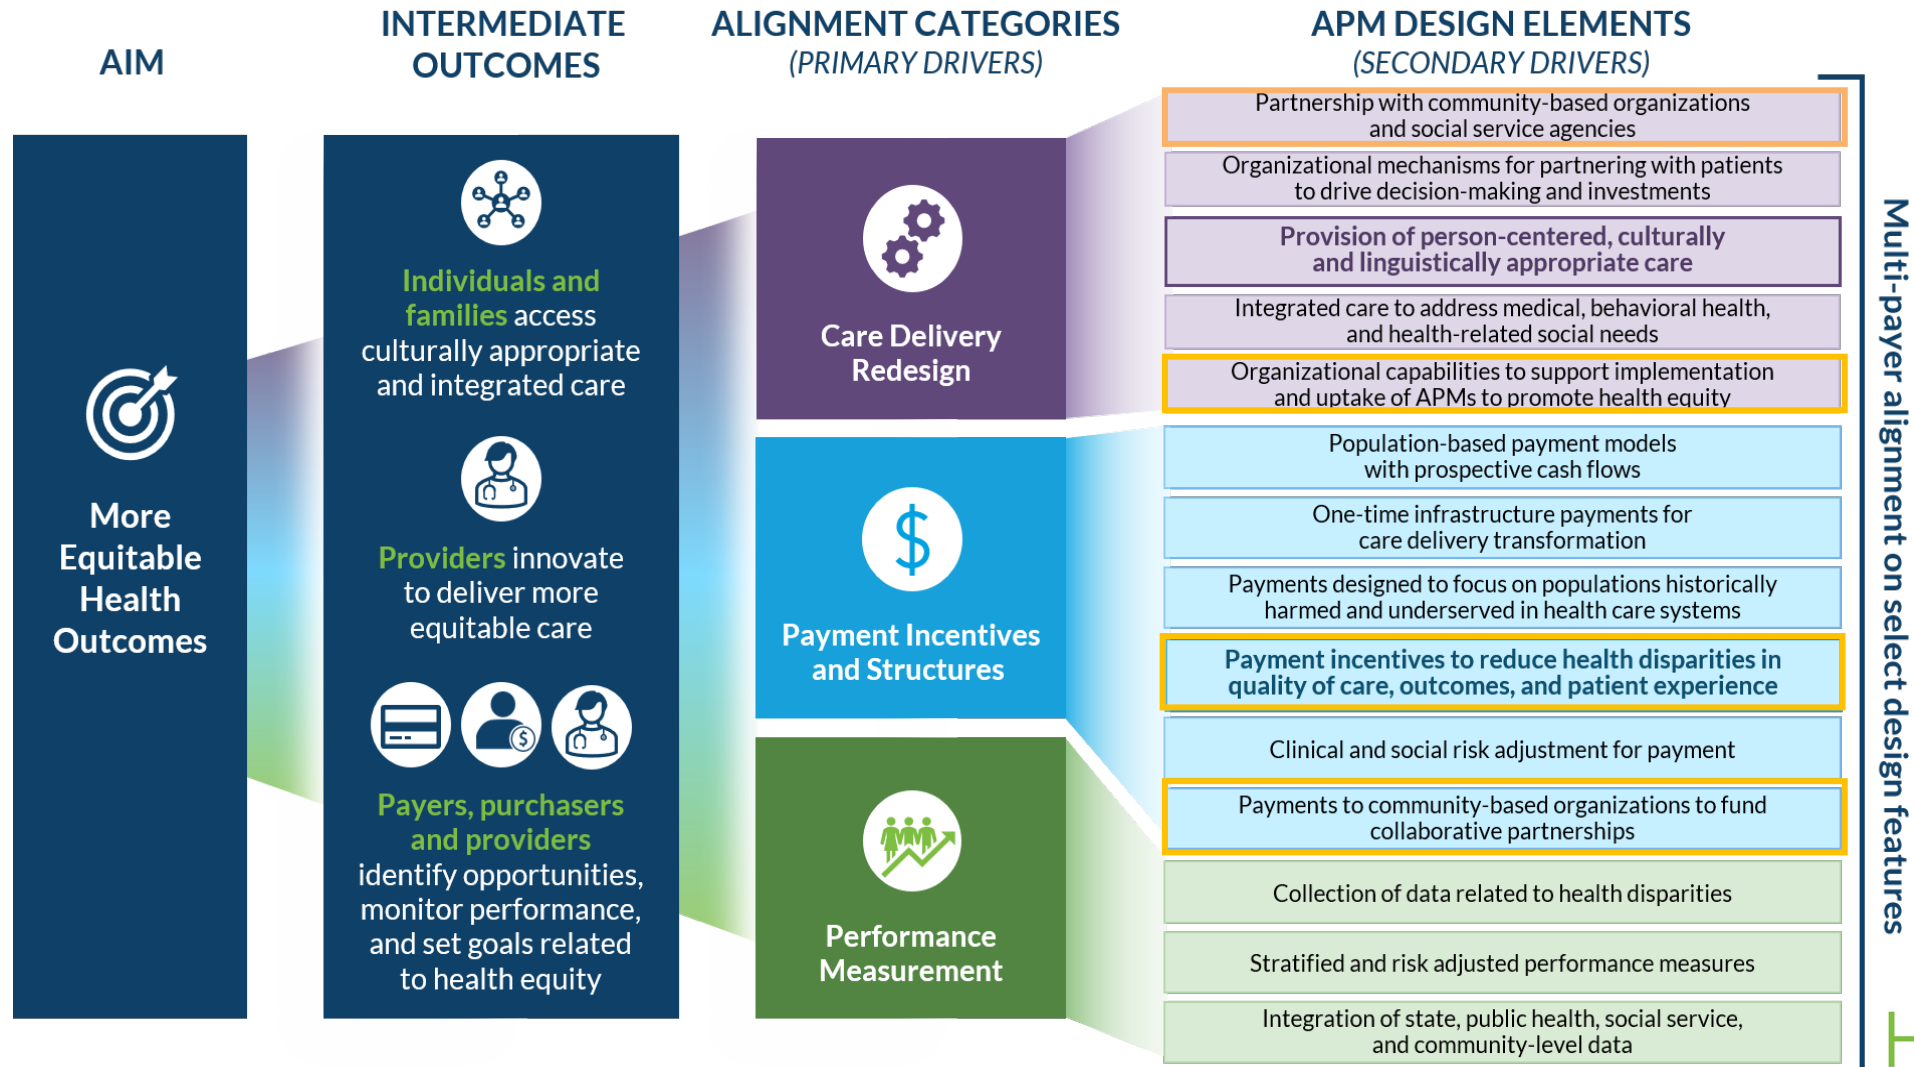

- Hear from CBOs and CBO partners regarding their experiences engaging with APMs and VBC including challenges, successes, and promising practices
- Discuss tactical approaches to collaborate with CBOs in payment reform
- Build on existing momentum to advance partnership and collaboration between health systems and CBOs

Poll Question

Has your organization partnered with a CBO?

APMs that Advance Health Equity Theory of Change

Activating Community as a Driver of Health Equity

What we know:

Limited community engagement in payment and delivery system reform limits the potential for APMs and related interventions to effectively address multi-dimensional disparities

What we hope to achieve:

LISTEN

Provide opportunities for meaningful engagement with CBOs and CBO partners to share varying experiences and perspectives on participating in APMs

AMPLIFY

Amplify the existing work being done in this space and bridge notable gaps

COLLABORATE

Collaborate with CBOs and CBO partners to understand the lived experiences of their communities and bring this into design and implementation of APMs

UNDERSTAND

Understand the best pathways for CBOs to engage in innovative payment and delivery models
